

Accompanying Person Trip

Is your partner joining you at IAPCO 2023?

We have prepared unique tours just for them!

“Food is (not) the whole story – Getting to know the Old City from a different perspective”

Join us on a delicious trip around the old city of Jerusalem and indulge your senses with unique culinary delights such as the bagel, the kanafeh, the hummus, and the spices you cannot find anywhere else in the world.

The uniqueness of the old city is the variety of the special tastes created by masters in their crafts – the person who makes the Jerusalem bagel, makes only the Jerusalem bagel – so it's the best that it can be!

During the tour, we will not only taste the best that Jerusalem has to offer but also get to know the local culinary business owners, hear their stories, and experience a little bit of their day-to-day life, whilst enjoying every bite!

Essential Information:

- The tour will take place on February 7th, 11:00-14:00
- Pick up from the Waldorf Astoria Hotel
- Registration by January 31
