Imagine networking with global leaders in a 1500-year-old citadel, enjoying a gala dinner in an underground quarry dating back to King Herod's time, or grabbing a beer in a bustling, delicacy-filled market.

Jerusalem provides conferencegoers with a once-in-a-lifetime experience. It's fascinating. It's diverse. It's truly unconventional.

The Jerusalem Conventions and Visitors Bureau is happy to assist conference organizers with all their needs as well as offer financial incentives. We would be pleased to meet you to discuss the planning of your next event in the city that will leave a mark on your organization's history.
